NOTICE OF REMOVAL

PLEASE TAKE NOTICE that, pursuant to 28 U.S.C. §§ 1334(b), 1452, 1332, 1367, 1441(b) and 1446, and Federal Rule of Bankruptcy Procedure 9027, the Defendant, Columbia Gas Transmission, LLC, by counsel, gives notice of removal of the above-captioned action from the Circuit Court of Wetzel County, West Virginia, to the United States Bankruptcy Court for the Northern District of West Virginia. In support thereof, the Defendant states as follows:

I. NATURE OF REMOVED ACTION

1. On or about March 8, 2019, Plaintiff filed a Complaint in the Circuit Court of Wetzel County, West Virginia, Civil Action No. 19-C-15, naming Columbia Gas Transmission, LLC as Defendant.

2. In accordance with 28 U.S.C. § 1446(a) and Federal Rule of Bankruptcy Procedure 9027(a)(1), a copy of the docket sheet and a copy of all process, pleadings, and orders served upon the Defendants in the state court action are attached hereto as **Exhibit A**.

II. TIMELINESS OF REMOVAL

3. This civil action was filed on March 8, 2019, served on Defendant's agent for service of process by appointment, Corporation Service Company, on March 11, 2019. In accordance with the requirements of 28 U.S.C. § 1446(b) and Federal Rule of Bankruptcy Procedure 9027(a)(3), this Notice of Removal is timely filed within thirty (30) days after receipt of service of Plaintiffs' Complaint. *See Elliott v. Am. States Ins. Co.*, 883 F.3d 384, 391 (4th Cir. 2018) ("The general rule, as established by the Supreme Court in *Murphy Brothers[, Inc. v. Michetti Pipe Stringing, Inc.]*, 526 U.S. 344, 347-48 (1999)], is that the time for counting the days for filing notice of removal under § 1446(b) starts when the defendant is formally served with the summons and complaint making the defendant an official party to the action and requiring the defendant to appear.").

III. PROPRIETY OF VENUE

4. Venue is proper in this district and division under 28 U.S.C. §§ 1441(a) and 1452(a), because the state court where the suit has been pending is located in this district and this division.

IV. BASIS OF REMOVAL

5. Removal in this case is proper pursuant to 28 U.S.C. § 1441(a), which provides that "any civil action brought in a State court of which the district courts of the United States have original jurisdiction, may be removed by the defendant or the defendants, to the district court of the United States for the district and division embracing the place where such action is

pending,” as well as 28 U.S.C. § 1452, which provides that “[a] party may remove any claim or cause of action in a civil action other than a proceeding before the United States Tax Court or a civil action by a governmental unit . . . to the district court for the district where such civil action is pending . . .”

6. In this case, federal jurisdiction is founded upon bankruptcy court jurisdiction, pursuant to 28 U.S.C. § 1334(b), because this civil action arises in and/or is related to a pending case filed under Title 11, *In re: Welded Construction, L.P.*, Case No. 18-12378 (KG) (Bankr. D. Del.) (Jointly Administered).

7. In addition, federal jurisdiction in this case is founded upon diversity of citizenship, pursuant to 28 U.S.C. § 1332(a), as this civil action is a matter between citizens of different states and the amount in controversy exceeds the sum or value of \$75,000.00, exclusive of interest and costs.

A. Bankruptcy Court Jurisdiction

8. Welded Construction, L.P. (the “Debtor”), filed a Voluntary Petition under Chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”) on October 22, 2018. *See In re: Welded Construction, L.P.*, Case No. 18-12378 (KG) (Bankr. D. Del.) (Jointly Administered) (the “Bankruptcy Case”).

9. This civil action seeks to enforce a mechanic’s lien against Defendant arising from unpaid obligations of the Debtor to Plaintiff. Furthermore, upon information and belief, Plaintiff’s mechanic’s lien may attach to property of the Debtor’s bankruptcy estate, including fixtures, appurtenances, and personal property of the Debtor situate in Wetzel County.

10. Plaintiff has filed a proof of claim in the Bankruptcy Case for the obligation of the Debtor underpinning the mechanic’s lien asserted against Defendant. *See* Claim No. 592. Upon

information and belief, the amount of Plaintiff's claim is in dispute. Determination of the amount of Plaintiff's claim against the Debtor—and the amount of the claim that will be allowed and paid from the Debtor's estate—is necessary to determine what amount, if any, Plaintiff can seek to recover from Defendant through enforcement of its purported mechanic's lien.

11. Pursuant to 28 U.S.C. §1334(b), the civil action "arises in" the Debtor's Bankruptcy Case and is, thus, a "core proceeding." *See In re Mid-Atlantic Resources Corp.*, 283 B.R. 176, 186–89 (S.D. W. Va. 2002) (upholding the bankruptcy court's decision denying a motion to remand in a removed case involving a mechanic's lien asserted against non-debtor entities arising from obligations of the debtor and finding that the action was a core proceeding).

12. The Bankruptcy Court has jurisdiction to hear and decide disputes arising in or related to the Bankruptcy Case. Thus, the civil action may be removed to United States District Court for the Northern District of West Virginia (the "District Court") under 28 U.S.C. §1452(a).

13. Pursuant to 28 U.S.C. §157 and the Amended Standing Order of Reference entered in the District Court miscellaneous proceeding no. 5:13-MC-12 on April 2, 2013, the District Court has referred all matters arising in or related to a case under Title 11 to the bankruptcy judges for the District Court. This includes this civil action.

14. This civil action is a "core proceeding" that arises in the Bankruptcy Case within the meaning of 28 U.S.C. §§ 157(b) and 1334(b) and, to the extent that this Court finds that this civil action is not a "core proceeding," the civil action is at least a "non-core proceeding" that invokes the "related to" jurisdiction of the bankruptcy courts pursuant to 28 U.S.C. §§ 157, 1334, and 1452.

15. Defendant consents to entry of final orders or judgment by the bankruptcy courts.

B. Diversity of Citizenship

16. As stated in the Complaint, Plaintiff is a corporation organized and existing under the laws of the Commonwealth of Pennsylvania, with a place of business located at 135 Technology Drive, Suite 400, Canonsburg, Washington County, Pennsylvania 15317.

17. A corporation is deemed to be a citizen of every State and foreign state by which it has been incorporated and of the State or foreign state where it has its principal place of business. 28 U.S.C. § 1332(c)(1).

18. Therefore, Plaintiff is a citizen of Pennsylvania for purposes of diversity jurisdiction under 28 U.S.C. § 1332(a).

19. As stated in the Complaint, Defendant is a limited liability company, organized and existing under the laws of the State of Delaware, and having a place of business at 700 Louisiana Street, Suite 700, Houston, TX 77002.

20. A limited liability company is a citizen of the state or states of which its members are citizens. *Gen. Tech. Applications, Inc. v. Exro Ltda*, 388 F.3d 114, 120 (4th Cir. 2004). Furthermore, where the member of a limited liability company is itself a limited liability company, the members of that entity must be considered as well. *Boggs v. Fola Coal Co., LLC*, Case No. 2:10-cv-0608, 2010 U.S. Dist. LEXIS 93288, at *5 (S.D. W. Va. Sept. 7, 2010).

21. The sole member of Columbia Gas Transmission, LLC is Columbia Pipeline Group Operating Company LP (“OpCo”), a Delaware limited partnership, with its principal place of business in Texas. OpCo has one general partner and three limited partners. All of OpCo’s limited partners, its general partner, and all entities related to OpCo’s general partner and limited partners are citizens of Delaware and Texas for purposes of diversity jurisdiction.

22. Therefore, Columbia Gas Transmission, LLC is not a Pennsylvania or West Virginia citizen for purposes of diversity jurisdiction under 28 U.S.C. § 1332(a).

23. Based upon the foregoing, there is complete diversity of citizenship between Plaintiff, a citizen of Pennsylvania, and Defendant, which is not a citizen of Pennsylvania or West Virginia.

C. Amount in Controversy

24. The matter in controversy exceeds the sum or value of Seventy-Five Thousand Dollars (\$75,000.00), exclusive of interests and costs.

25. Specifically, according to the Complaint, Plaintiff is seeking to enforce a statutory mechanic's lien pursuant to W. Va. Code § 38-2-2 in the amount of \$3,650,300.42. *See Compl. ¶¶ 4–10, Ex. 1.*

26. Inasmuch as the value of the statutory mechanic's lien exceeds \$75,000.00, the amount in controversy requirement is satisfied.

V. OTHER REMOVAL ISSUES

27. Pursuant to 28 U.S.C. § 1446(a) and Federal Rule of Bankruptcy Procedure 9027(a)(1), a copy of all process, pleadings, and orders served upon the Defendant is attached hereto as "Exhibit A" along with a copy of the docket sheet from the Circuit Court of Wetzel County, West Virginia.

28. A Notice of Filing of Notice of Removal will be filed this day with the Circuit Clerk of Wetzel County, West Virginia and served on the Plaintiff.

WHEREFORE, the Defendants, by counsel, respectfully advise that this civil action has been removed from the Circuit Court of Wetzel County, West Virginia, to the United States

Bankruptcy Court for the Northern District of West Virginia, and that this Court shall assume jurisdiction over this action.

INSTRUCTIONS

The filing of a bankruptcy case creates an “estate” under the jurisdiction of the bankruptcy court which consists of all of the property of the debtor, wherever that property is located. Because the bankruptcy estate is so extensive and the jurisdiction of the court so broad, there may be lawsuits over the property or property rights of the estate. There also may be lawsuits concerning the debtor’s discharge. If such a lawsuit is filed in a bankruptcy court, it is called an adversary proceeding.

A party filing an adversary proceeding must also complete and file Form 1040, the Adversary Proceeding Cover Sheet, unless the party files the adversary proceeding electronically through the court’s Case Management/Electronic Case Filing system (CM/ECF). (CM/ECF captures the information on Form 1040 as part of the filing process.) When completed, the cover sheet summarizes basic information on the adversary proceeding. The clerk of court needs the information to process the adversary proceeding and prepare required statistical reports on court activity.

The cover sheet and the information contained on it do not replace or supplement the filing and service of pleadings or other papers as required by law, the Bankruptcy Rules, or the local rules of court. The cover sheet, which is largely self-explanatory, must be completed by the plaintiff’s attorney (or by the plaintiff if the plaintiff is not represented by an attorney). A separate cover sheet must be submitted to the clerk for each complaint filed.

Plaintiffs and Defendants. Give the names of the plaintiffs and defendants exactly as they appear on the complaint.

Attorneys. Give the names and addresses of the attorneys, if known.

Party. Check the most appropriate box in the first column for the plaintiffs and the second column for the defendants.

Demand. Enter the dollar amount being demanded in the complaint.

Signature. This cover sheet must be signed by the attorney of record in the box on the second page of the form. If the plaintiff is represented by a law firm, a member of the firm must sign. If the plaintiff is pro se, that is, not represented by an attorney, the plaintiff must sign.

Spread 1 of the Mountaineer Express Pipeline Project (the "Project"), situate from Mile Post 0.00 to Mile Post 18.83 in Marshall and Wetzel Counties, West Virginia (the "Liened Property").

3. Contractor, Welded Construction, L.P. ("Contractor"), is a corporation organized and existing under the laws of the State of Delaware that has offices at 26933 Eckel Road, Perrysburg, Ohio 43551, who contracted with Owner to perform furnishing of materials and labor necessary for the clearing and grubbing of all timber, brush and vegetation on the Liened Property for the Project.
